

Information to know before you enroll in the health, life, dental and vision policy with Rusty Weigh.

- Employees have the option to take up to an extra \$80,000 in guaranteed life insurance during open enrollment **ONLY**. If you choose to take the additional life insurance after open enrollment, you will go through underwriting and will be subject to approval.
- If you are adding dependent or spouse to the life insurance employee **must take out a minimum of \$10,000 Voluntary life insurance**. The spouse cost for the life insurance is based off the employee age.
- **DQ74 is different from the other plans, your lab and x-ray services will apply to your deductible and coinsurance. (you will pay 100% of your lab and x-ray, until you have met your deductible)**
